A BIT ABOUT THE LOGOS PROGRAM

Our program offers a rich religious and educational experience right in your own community!

All about LOGOS

- LOGOS means “the Word of God” and is an interdenominational Christian program centred on God’s Word, which is the Bible, and God’s Son, our Savior Jesus Christ
- Offered to students from kindergarten to grade 4 at Landing Trail School in Gibbons, and grades 5 to 9 at Lilian Schick School in Bon Accord
- Part of Sturgeon School Division’s unique programming, and open to all students

A strong educational focus

- LOGOS is part of the public school system and teaches the Alberta curriculum
- Children remain involved in school-wide events, programs and other activities
- Students learn the same subject matter as others in the school system, but most courses are taught with a Christian viewpoint

A Christian-based perspective

- LOGOS is a non-denominational Christian-based program offered in a nurturing setting, where children are taught to love God and others
- The Christian environment is enhanced through daily activities (prayer, scripture reading, praise), periodic chapel times and assemblies that build faith, celebrate Christian holidays and bring the LOGOS community together for fellowship
- Supports the spiritual values parents teach at home, ensuring each child’s faith is nurtured, reinforced and sustained at school

Working together for the children

- Landing Trail School and Lilian Schick School maintain a close working relationship to ensure that students making the transition from Grade 4 to 5 are able to do so seamlessly

- Parents appreciate the consistency in teaching principles, Christian values and sense of community from one school to the next
- Children find it easy to transfer schools, and thrive in the excitement of new, yet familiar surroundings

Why choose LOGOS?

- An excellent academic education paired with a caring Christian environment, provide children with a solid foundation upon which they can build their lives
- The program teaches children to love and care for all their fellow human beings, and to live for more than simply their own pleasure and self-interest
- The founding principles of the program encourage students to lead productive, compassionate lives and make valuable contributions to their families, neighbours, country and global community

Mission Statement

That students, taught in a spiritually nurturing, intellectually challenging and disciplined environment, acquire the knowledge, attitudes, skills and training necessary to seek after “whatsoever things are true.” Phil. 4:8

That sustained by Christ’s teachings and God’s love, students may develop binding commitments to their families, neighbours, country and the global community while leading moral, healthy and productive lives.

“I like the way we get to learn about God and pray to him. I have Him by my side to help me in tough times, and I like how He will always love me no matter what.”
- Riley, Grade 4

“LOGOS has been an amazing experience for us. We have made so many friends over the years, and it is awesome how we can grow together in God’s love. We won’t forget the friends, teachers and long-lasting memories.”
- Sarah and Angela, Grade 9

“In the LOGOS program, you get a chance to connect and build friendships with your fellow believers while worshipping and growing in our relationship with God.”
- Bryce, Grade 11

“The LOGOS program provides a loving Christian environment. My children and I are thankful for the unity and bond in Christ that the program creates between students and teachers through the acts of prayer, worship and the reading of God’s word.”
- Sara, LOGOS parent
