### 5. Reports

#### a. Admin Report

Busy day with Trustees/executives in the school, what's the one thing you are missing/need, one thing we talked about is the drop off/bus zones, sent email to Shawna Walter to get side walks widen, short term is to pull the railing out to allow for more room and safety away from the buses.

Staffing – Mr Traub away month of May, Mrs. Gaudet EA we brought in till end of June, staffing is looking pretty good,

Lots of great things happening in the building, education week.

Joint Use Agreement – looking into it with the town for an outdoor classroom, we started to come up with a drawing of our wishes, circular area with wood chips, benches, and then build out in phases. Looking at costs and plans. Looking into possible making paths in the treed area with clearings to bring the curriculums to life for the students. Looking at front of school, more visible to prevent vandalism as it is more open.

Next year looking at bring back school use to the community. Those conversations are happening.

Students were out helping "clean the committee", the kids were excited to be out cleaning up.

June 9<sup>th</sup> for school wide field trip to Fort Edmonton – It is booked. 70 volunteers needed with teachers will end up being about 3-4 per classroom. Only cost to students will be admission.

b. Trustee Report:

Irene had shown then traffic flow and side walk to the board on the visit to continue to show why the safety concerns are there.

Budget – working on it, want to make sure school have the resources they need, and the plan is sustainable. We have the wish list; they didn't cut and trim the wish list. We want to keep with the mental health initiative for the next 2 years. Results of the thought exchange will be shared – found they want to go out to schools with teachers, students, parents to get deeper input.

c. Community Rep:

No rep present

d. Grade Reps (HS, K, 1,2,3,4 and Logos)/Staff Rep:

The year is flying by. Lots going on every day. Teachers working on lots as we get closer to year end; all already.

Grade 3's are doing animals and multiplication.
